

TRANSITION HOUSE SECTOR CONSULTATION

FRONTLINE TRANSITION HOUSE WORKERS FROM AROUND THE PROVINCE ARE INVITED TO PARTICIPATE IN THIS WORKSHOP AND CONSULTATION, BEING HELD AS A PRE-CONFERENCE TO THE BCYSTH 2008 FALLCONFERENCE

As part of the ongoing work of Building Bridges, a provincial initiative aimed at improving service provision for women impacted by abuse, substance use and/or mental ill health, the Woman Abuse Response Program of BC Women's Hospital and Health Centre will be hosting a Pre-conference to the BCYSTH 2008 Fall Conference.

This 1 day workshop and consultation will provide an opportunity for Transition House Workers to:

- » Explore the complexities and links between woman abuse, substance use and mental ill health
- » Explore how these issues impact service delivery and their practice
- » Identify the gaps in service provision
- » Identify and problem solve ways to reduce access and service delivery barriers for women

The information gathered from the consultation will contribute to the development of a provincial framework to improve services for women impacted by these intersecting issues.

HOPE TO SEE YOU THERE!

This project is co-funded by the BC Women's Woman Abuse Response Program and the Vancouver Foundation.
