Good day referring providers,

Re: Temporary discontinuation of the Antepartum Homecare Program (APHC)

In light of the COVID19 situation, the Antepartum Homecare Program (APHC) has been temporarily discontinued until further notice. Please note referrals are currently not being accepted and you are encouraged to admit your high risk pregnant patient to the antepartum unit if daily surveillance and monitoring is required.

Thank you.

Maternity Ambulatory Program Leadership Team
Dr. Blair Butler, Medical Lead
Dr. Chantal Mayer, Medical Lead for Ultrasound
Anne Shields, Clinical Resource Nurse
Judy, Harder, Chief Sonographer
Anna Bloomfield, Business Support & Administrative Manager
Edyta Kowalska, Program Manager
